

Tuesday 24th November

Dear Parents/Carers,

We have been made aware that we have a confirmed positive case of coronavirus (COVID-19) at Harefield Junior School.

We have followed the national guidance and have identified that your child has been in close contact with the affected child. In line with the national guidance your child must stay at home and self-isolate until Monday 7th December.

If your child is well at the end of the 14 days period of self-isolation, then they can return to usual activities.

Other members of your household, including younger siblings, can continue normal activities, such as attending school, provided your child does not develop symptoms within the 14 day self-isolation period.

Please see the link to: Guidance for contacts of people with confirmed coronavirus (COVID-19) infection who do not live with the person.

<https://www.gov.uk/government/publications/guidance-for-contacts-of-people-with-possible-or-confirmed-coronavirus-covid-19-infection-who-do-not-live-with-the-person>

Remote Learning:

Access to live lessons delivered by the year 6 teachers via your child's "Teams Login" will begin tomorrow, Wednesday 25th November. Please login and click on the 'Join' meeting button in the calendar.

- Daily Maths lessons are from 9.30 to 10.30am.
- Daily English lessons are from 11.00 to 12 noon.
- Please only use the "chat" function for school related questions.
- Complete your work in the exercise books we sent home last half term.
- Upload example answers and evidence of your work via the class email accounts for teachers to give feedback.
- If you have any questions regarding the use of Teams including password resetting, please direct them to the class teacher via the class email account.

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they should remain at home for at least 10 days from the date when their symptoms appeared. Anyone with symptoms

will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

People who do not have symptoms should not request a test unless this has been specifically requested by Public Health England or the local authority.

All other household members who remain well must stay at home and not leave the house for 14 days. This includes anyone in your 'Support Bubble'.

The 14-day period starts from the day when the first person in the house became ill.

Household members should not go to work, school or public areas and exercise should be taken within the home. If you require help with buying groceries, other shopping or picking up medication, or walking a dog, you should ask friends or family. Alternatively, you can order your shopping online and medication by phone or online.

Household members staying at home for 14 days will greatly reduce the overall amount of infection the household could pass on to others in the community

If you are able can, move any vulnerable individuals (such as the elderly and those with underlying health conditions) out of your home, to stay with friends or family for the duration of the home isolation period

Please see the link to the PHE 'Stay at Home' Guidance:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

Symptoms of COVID 19

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- new continuous cough and/or
- high temperature and/or
- a loss of, or change in, normal sense of taste or smell (anosmia)

For most people, coronavirus (COVID-19) will be a mild illness.

If your child does develop symptoms, you can seek advice from the nhs.uk website at <https://www.nhs.uk/conditions/coronavirus-covid-19/check-if-you-have-coronavirus-symptoms/>. If you are concerned about your child's symptoms, or they are worsening you can seek advice from NHS 111 at <https://111.nhs.uk/> or by phoning 111.

How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19.

Address: Park Lane, Harefield, Middlesex, UB9 6BJ

Tel: 01895 824447

Email: office@harefieldjunior.org.uk

Web: www.harefieldjunior.com

Executive Head Teacher: Mr A.Sunner

Head of School: Mr J.Downs

Do

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

Further Information

Further information is available at

<https://www.nhs.uk/conditions/coronavirus-covid-19/>

We hope to see your child back at school on Monday 7th December.

Yours sincerely

Mr Sunner
Executive Head Teacher

Mr Downs
Head of School
