Dear Spruce class,

As a new school year is fast approaching, I wanted to take this opportunity to welcome you to your new class in September 2021 – **Year 5 Sycamore Class!** I am extremely excited to welcome you into Year 5 and cannot wait to share with you some of the incredible areas of the curriculum that we get to explore together. My name is **Mrs George** and I will be your Class Teacher for the year and **Mrs Bonner** will be working with you all as well.

**Mrs George**

I love maths, science and music. I have a three year old daughter called Kaitlin who I'm sure you will love, a Jack Russell called Holly and a Bearded Dragon called Fidget. I love animals! I like Startrek and my favourite author is Terry Pratchett. I even met him a few times! I like to have fun and work hard. I love a giggle. Next year will be challenging, but together we will achieve our goals, I will always help you when you need support. I'm really excited about next year and I hope you are too.

**Mrs Bonner**

I am Mrs Bonner. I have worked at Harefield Junior School for many years. I love to teach Maths, and I like most pastel colours. I love butterflies, I enjoy teaching and supporting all children's learning.

**Our Creative Curriculum!**

Next year, we will delve into the fierce Battle of Repton and discover how the mighty Vikings defeated the Anglo-Saxons using strategic tactics that caught them off-guard. We will take a trip over to the Alpine region and investigate why it's such a tourist hotspot for visitors far and wide. Furthermore, we will strap ourselves into our space shuttles and embark on a mission into space where we can explore the planets within our solar system! Who knows... maybe we'll have enough time to squeeze a little journey to the moon too!

There will be numerous opportunities for the children of Sycamore Class to share their learning through themed days and project work linked to other areas of the curriculum too!

If you have any questions or would just like to say hello, you can contact me on [elmclass@harefieldjunior.com](mailto:elmclass@harefieldjunior.com)

I hope you stay safe and have a fantastic summer! Make sure you are re-energised and ready to go when September rolls around. I can't wait to get to know all of you; we are going to have a fantastic year together!
