

Tuesday 6th July 2021

Dear Meranti Class,

As a new school year is fast approaching, I wanted to take this opportunity to welcome you to your new class in September 2021 – **Year 5 Walnut Class!** I am extremely excited to welcome you into Year 5 and cannot wait to share with you some of the incredible areas of the curriculum that we get to explore together. I, **Mrs Lindsay**, will be your Class Teacher for the year and **Mrs Pinchen**, your Learning Support Assistant, will be working with you all as well.

Mrs Lindsay

Hi everyone! I thought I'd tell you a little about myself! My name is Mrs Lindsay; I have worked at Harefield Junior School for 8 years. I love teaching maths, history, PE (especially dance) and of course I love netball. My favourite books are crime and thriller novels. I enjoy listening to all kinds of music and socialising with my friends when I can. I have a cat called Jazz and I love animals. I am really looking forward to meeting you all and think it is important that we have fun whilst we learn. Next year will be hard, but together we will achieve our goals, I will always help you when you need support. I'm very excited about next year, I hope you are too!

Mrs Pinchen

Hello everyone, my name is Mrs Pinchen. I am really looking forward to working with you all next year and Mrs Lindsay in Walnut class. A little bit about me, I have two sons, one going into year ten and one who goes out to work. I love arts and crafts and enjoy cross stitching. I also enjoy reading mostly crime or mystery books. I have recently bought a greenhouse and have started to grow some vegetables too! Oh and I also like listening to all types of music but mainly 80's.

Our Creative Curriculum!

Next year, we will delve into the fierce Battle of Repton and discover how the mighty Vikings defeated the Anglo-Saxons using strategic tactics that caught them off-guard. We will take a trip over to the Alpine region and investigate why it's such a tourist hotspot for visitors far and wide. Furthermore, we will strap ourselves into our space shuttles and embark on a mission into space where we can explore the planets within our solar system! Who knows... maybe we'll have enough time to squeeze a little journey to the moon too!

There will be numerous opportunities for the children of Walnut Class to share their learning through themed days and project work linked to other areas of the curriculum too!

If you have any questions or would just like to touch base, you can contact me on walnutclass@harefieldjunior.com and I will get back to you in due course.

I hope you stay safe and have a fantastic summer! Make sure you are re-energised and ready to go when September rolls around. I can't wait to get to know all of you; we are going to have a fantastic year together!

Mrs Lindsay
