Dear Year 5 Parents/Carers,

Re: Personal, Social, Health and Economic Education

We follow the Jigsaw scheme for personal, social, health and economic education and after May half term the theme is 'changing me'.

Children will learn about how we change as we grow older, the differences between boys and girls and also about relationships. For some of the lessons, boys and girls will be taught in separate groups.

Below is a table showing what the children will be learning during this half term's lessons. Some of the content is more detailed than we have taught in previous years but necessary to meet the requirements of the compulsory relationships education which the government introduced this year.
