Tea time talk

This year, we are continuing to work with Voice21, a charity that supports schools to develop oracy. Oracy is the ability to articulate ideas, develop understanding and engage with others through spoken language and listening. Oracy skills set children up for success in school and life.

In order for children to develop their oracy, we need to provide them with lots of opportunities to practice their speaking and listening, which we do regularly in school. We will be sharing a discussion question each week in the newsletter to also provide you with a chance to have an interesting discussion with your children and support their oracy at home. This week's home discussion question is:

"It's more important to try your best than to win."

Year 6 visit to the Harefield School

Both the Year 6 classes visited the Harefield School on the morning of Monday 13th October and had the opportunity to sample a day in the life of a secondary school. The children thoroughly enjoyed taking part in drama, art and science lessons.

"I enjoyed the drama lesson because I liked being active and creative instead of doing writing," Elicia.

"I really liked the art lesson because I got to make a print of my name. I enjoyed the challenge of writing my name backwards to that when it printed it was the right way round," Leon.

"The school is a lively and happy place. Staff form caring, nurturing, professional relationships with pupils, who said how much they enjoy coming to school"
